The Arad Academic Days are a fortunate opportunity for scientific appraisal, confirming the role of “Vasile Goldis” Western University of Arad in promoting academic quality in interdisciplinary scientific research in Arad, Transylvania, and the Euro-region. Professors and researchers have the possibility to capitalize their scientific and publishing activity in “Vasile Goldiş” University Press – the university’s publishing house, and in its 5 journals, which are indexed in international databases.

*We would be honored if you could join us for this important event.*
